

## **DISTANCE LEARNING**

### ***Introduction to Children's Residential Services***

***(DLS A101)***

- This introductory course assists students in developing the fundamental knowledge required to work in children's residential therapeutic settings. Topics are specifically focused on issues pertaining to children and youth who demonstrate challenging behaviors related to mental health diagnoses.

**START: April 9<sup>th</sup>, 2009 FINISH: May 25<sup>th</sup>, 2009:**

- The very first class is face to face with your instructor.
- A 30 hour practicum is also included so that students can apply their newly acquired knowledge.
